What's New in the Z-Cron?

â€œLighter... faster with fewer steps.â€¦ Explore the world in two-thousand light.â€¦ You are a cabbie and you have an idea for your first taxi app. You see a line of cabs around a square, but the driver's door of your dream taxi is open. You call your friend and share your

idea with her. In one week, she helps you to create a first version of your app â€¦”

Cabbie App. The world of your taxi is not just the square, there are many locations. The cab moves around the city as you like. To drive, you must run at three places: the passenger door, the computer and your smartphone. To reach your passenger, you can unlock the computer with your

smartphone or the cab door. You need to create an interface that lets you do it. You have to drive, unlock the computer and drive to your passenger. And you have to tell your passenger where he will find you in the morning. It's time for you to find your first passenger and make some money. Create your app and share it on your favorite social media platforms. Your

game is the experience of finding and serving your first passenger. Free Itâ€™s™ time for you to find your first passenger and make some money. Create your app and share it on your favorite social media platforms. You have 20 minutes to find your first passenger and serve him. Game Mode: â€œNumber of passengersâ€œ...â€œYou can select in the settings

which game mode you want to use. We want you to be the best taxi driver around the world. If you like to share the highest ratings, you have 20 minutes to find your first passenger. Your mission is to drive with your cab and earn money. And show us where you drive, how many miles you travel, how many passenger and how many time is spent. You can be the best taxi driver in the world.

You are here to help us and earn money, but make sure your app is installed on your phone and computer. Drive, unlock the computer, unlock the phone and drive to your customer. We need to see how you drive and how you serve your customers. Time with your passenger is critical. If you don't follow our instructions, you will lose time. The game will end if you drive with a

broken engine. Game &#x
